a division of REYNOLDS

There Actually Might Be a Light Brighter Than Our HID LiteBox®.

The HID LiteBox® can easily illuminate objects one mile away.

With a true one million candlepower, it can tackle any serious scene lighting need. Includes front navigational white LEDs which get you to the scene safely.

More proof that we make tools, not toys.

**STREAMLIGHT**

Heroes Trust Streamlight

This rechargeable searchlight fits in existing LiteBox® chargers and lasts 1.75 hours between charges.
